

FALL 2015 EXAM SCHEDULE

Final examination periods will be a maximum of one hour and fifty minutes, and examinations will be conducted in the rooms where classes regularly meet unless other instructions are given by teachers. If a class meets at a time other than those listed below, the instructor will announce the examination time.

Schedule Conflicts: Students who have conflicting finals on two campuses should talk to the divisional deans on both campuses for alternative testing dates.

Four- or eight-week courses will have exams during the last two hours of the final class meeting.

Dual credit students and students in blended or hybrid sections should verify dates and times with their instructors.
